GLENDALE COMMUNITY COLLEGE
ASSOCIATE DEGREES FOR TRANSFER AA-T/AS-T
2013 - 2014

California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. However, this degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system.

Students who have been awarded an AA-T or AS-T degree are able to complete their remaining requirements for the baccalaureate degree within 60 semester or 90 quarter units. Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs

The following is required for all AA-T/AS-T degrees:

1. Minimum of 60 CSU-transferable semester units.
2. Minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Students must complete all CSU General Education-Breadth (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) requirements with a grade of "C" or better. The Pass/No Pass grading option in not appropriate for the CSU "Golden Four" requirements (CSU Breadth areas A1, A2, A3, and B4 or IGETC areas 1A, 1B, 1C and 2).
4. Certified completion of the CSU GE Breadth or IGETC patterns.
5. Completion of a minimum of 18 semester units in an AA-T/AS-T major. All courses in the major must be completed with a grade of "C" or better or a "P" if the course is taken on a "pass-no pass" basis (title 5 § 55063).

ASSOCIATE IN ARTS FOR TRANSFER – COMMUNICATION STUDIES

The Associate in Arts in Communication Studies for Transfer Degree is designed to prepare the student to transfer to four-year institution of higher education and specifically intended to satisfy lower division requirements for the Baccalaureate Degree in Communication Studies at a California State University. The knowledge and skill offered in this degree help our students build satisfying and productive relationship in their careers as well in their personal and civic lives

Required Core: Speech 101
List A: Select two courses (6 units): Speech 100, 103, or 104
List B: Select two courses (6 units): Any course from list A not used above;
Journalism/Mass Communication 101, Speech 106, 108, 191+, 192+, 193+
List C Select one course (3 units): Any course from List A or B not used above:
English 102 or 102H, 104: Journalism 102; Psychology 101 or 101H
+A maximum of three units combined may be applied to the major

Required Units for Major: 18 units*
CSUGE (40 units) or IGETC (37-39 units)
Total Units Required for Degree (60 units) **
*Units for major may be double-counted for CSUGE or IGETC
** Elective units to reach 60 unit total must be CSU transferable

ASSOCIATE IN ARTS FOR TRANSFER – KINESIOLOGY

The Associate in Arts in Kinesiology for Transfer Degree provides students with the knowledge and application of kinesiology concepts and skills to attain upper division status in kinesiology at most four-year colleges or universities. The program emphasizes fundamental knowledge in the biological, psychological, and socio-cultural foundations and consequences of physical mechanics; and the pedagogical and rehabilitative aspects of physical activity.

Upon successful completion of this program students will be able to: demonstrate foundational knowledge and skills related to physical mechanics, exercise, and sport, and have the ability to integrate perspectives from humanities and social, behavioral, and life sciences; apply content knowledge to design and evaluate within disciplinary practices; demonstrate critical thinking, writing, reading, oral communication, and information management skills to physical activity related questions; articulate the importance of commitment to life-long physical activity.

Required Core: Biology 120, 121, Physical Education 120
Select one course from any 3 of the following 4 areas (3 units minimum)
Combatives: Physical Education 131, 217, 227
Fitness: Physical Education 102, 164, 226
Individual Sports: Physical Education 140, 202, 261
Team Sport: Physical Education 150, 200, 274
List A: Select two courses from the following
Chemistry 120 or 101, Health 102, Math 136, Physics 105

ASSOCIATE IN ARTS FOR TRANSFER – SOCIOLOGY

The Associate in Arts in Sociology for Transfer Degree is designed to prepare the student for transfer to four-year institutions for higher education and specifically intended to satisfy the lower division requirements for the Baccalaureate Degree designed to meet lower division requirements for Sociology majors at a California State University. The major has been designed to meet lower-division requirements for Sociology majors at most transfer institutions.

Required Core: Sociology 101
List A: Sociology 102, Math 136
List B: Select two courses (6 units): Ethnic Studies 121; Psychology 104, Psychology/Sociology 131; Sociology 104
List C Select one course (3 units): Any course from List B not used above; Psychology 101 or 101H; Sociology 103 or 105 or 140

Required Units for Major: 18-19 units*
CSUGE (40 units) or IGETC (37-39 units)
Total Units Required for Degree (60 units) **
*Units for major may be double-counted for CSUGE or IGETC
** Elective units to reach 60 unit total must be CSU transferable

ASSOCIATE IN SCIENCE FOR TRANSFER – MATHEMATICS

The Associate in Science in Mathematics for Transfer Degree provides student with sufficient understanding of mathematical concepts, skills, and applications to attain upper division status in mathematics at most four-year colleges or universities. This coursework will satisfy the lower division mathematics requirements at California State University. Successful completion of the transfer degree in Mathematics guarantees the student acceptance to the California State University. This degree is intended for students who are interested in the theory of mathematics and are planning on transferring to a four-year university and majoring in Mathematics, Physics and Engineering or Computer Science.

Required Core: (14 units): Math 103 or 103H, and 104 or 104H, and 105 or 105H;
List A: Select one course (4 units): Math 107, 107H, 108, 108H;
List B: Select one course from the following: Any course from List A not used above; CS/IS 112, 135, 139; Math 136; Physics 101, 101H

Required Units for Major: 21-23 units*
CSUGE (40 units) or IGETC (37-39 units)
Total Units Required for Degree (60 units) **
*Units for major may be double-counted for CSUGE or IGETC
** Elective units to reach 60 unit total must be CSU transferable
