IMPORTANT NOTICE

**IMPORTANT NOTICE** 

Dear EOPS Student,

This is a reminder that the priority registration dates for spring 2013 are scheduled to begin Monday, January 14, 2013.

We will begin EOPS program admission for new EOPS students on Monday, February 4, 2013 which will impact counseling appointments. To avoid delays, we encourage you to visit your EOPS counselor as soon as possible in the next three weeks. With counselors, you may want to review your spring schedule and SEP, or ask any other academic questions you may have. The counselors are here to support your academic needs.

To schedule an appointment with your EOPS counselor you may call us at (818)240-1000X6900 or stop by EOPS office. We will also have drop in counseling as usual. For drop-in times, please call the morning you're planning to visit to check the availability.

Please give us a call and schedule your next counseling appointment as soon as possible.

We look forward to seeing you soon.
