

STAFF DEVELOPMENT PRESENTS:

PROGRAM SLO and ASSESSMENT WORKSHOPS

- Need to develop your program outcomes and assessment measures? *YES, we all do!*
- Wonder how your division will include program outcomes in the **new annual program review**? *Those who do so successfully will be able to request resources!*
- Do you know how many programs exist in your discipline? *Good question!*

WORKSHOP OUTCOMES:

At the end of the workshop, you and your colleagues will be able to:

- identify the programs within your division and identify appropriate student learning outcomes for each program
- identify suitable methods to assess your program student learning outcomes
- develop a timeline to assess your program outcomes to facilitate program review reporting

FRIDAY WORKSHOPS

You may attend one or both of the scheduled dates; the agenda will be the same.
