GCC facts

Glendale Community College is a comprehensive public community college open equally to all adults or high school graduates who can benefit from its programs and services. Its primary mission is to prepare students for successful transfer to four-year colleges and universities or for successful placement or advancement in rewarding careers. Its mission is also to serve its surrounding community through non-credit education and community services courses and programs. Founded in 1927, the college is governed by a five-member, elected Board of Trustees.

Accreditation

Fully accredited by the Western Association of Schools and Colleges.

Academic Offerings

Associate in Arts and Associate in Science degrees and Certificates of Completion. Day, evening and weekend courses offered in college credit and non-credit education. Most credit courses are transferable to four-year colleges and universities.
