This publication was funded pursuant to grant agreement number 03-Co1-019. This project was supported by the Carl D. Perkins Vocational and Technical Education Act of 1998 (VTEA), Title 1, Part C funds awarded to the Glendale Community College Grantee by the Chancellor's Office, California Community Colleges. The activity which is the subject of this report was supported in whole or in part by the U.S. Department of Education. However, the opinions expressed herein do not necessarily reflect the position or policy of the U.S. Department of Education, and no official endorsement by the U.S. Department of Education should be inferred. No person shall, on the grounds of sex, race, color, national origin or handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under this project.

# Media Arts

Train for a career in the entertainment industry.

You can work in:

- TV production
- music videos
- digital video editing
- webcast DJ
- DVD authoring
- audio technician
- video camera operator
- and more!

The Media Arts program offers certification and training, including hands-on experience in digital video production, digital audio recording and editing, DVD authoring, radio webcasting, and digital post-production. Professional applications such as Final Cut Pro, DVD Studio Pro and Pro Tools are featured in our state-of-the-art G5 Mac Lab.
