

**Exercise II: Analyzing Documents** (see documents at <http://www.glendale.edu/library/instruction/tutorials/EvalSearchResults.html>)

For this exercise your research question is: *What are the global effects of Japanese fishing economically and ecologically?*

What kind of document is this?	Author/Credentials/Documentation?	Purpose?	Audience?	Point of View?	Appropriate for college level research?
1. Mayor of Taiji					
2. Dolphin drive					
3. Japanese Whaling					
4. Environmental Politics in Japan
