COMMENTS FROM THE AUDIENCE - BOARD AGENDA ITEMS ONLY

1. Mr. Douglas Johnson, 1217 Glenwood Road, Glendale, CA

Addressed "Public Hearing No. 1: California Voting Rights Act Analysis"

PUBLIC HEARING

1. California Voting Rights Act Analysis

Mrs. Gabrielian opened Public Hearing No. 1 at 5:11 p.m.

Ms. Elaine Reodica from the Community College League of California (CCLC) prefaced Mr. Mitchell's presentation. She said that, given the highly charged political nature of the findings so far, and although the League had full faith and confidence in the Redistricting Partners' analysis, the CCLC thought it prudent to obtain an independent review of the analysis and thus approached expert consultant, Dr. Matt Barreto, of the University of Washington. Ms. Reodica said that she would be relaying the outcome of this meeting to Ms. Kimi Shigetani of the CCLC. Ms. Reodica then introduced Mr. Mitchell.

Mr. Mitchell distributed two documents: "RPV Analysis" and "Glendale Community College District – Updated CVRA Analysis" to the Members of the Board, other dais participants and to the recording secretary. He then proceeded with a PowerPoint presentation, "What is CVRA Analysis?" The Board noted that they did not have this PowerPoint handout. Mr. Mitchell said that this is the same PowerPoint that was previously presented, but that he would send tonight's materials electronically to the Board. Mr. Mitchell then proceeded with the PowerPoint, which reviewed Glendale's ethnic make-up.

He referred to the opinion from Dr. Matt Barreto and said that Dr. Barreto's viewpoint of racially polarized voting was much more forceful than that of Redistricting Partners'. Mr. Mitchell made reference to an executive summary prepared by Dr. Barreto and appearing on the last page of the "Glendale Community College District – Updated CVRA Analysis" handout. He said that Dr. Barreto is conducting a final analysis.

Mr. Mitchell addressed the timeline. He said that there is no deadline for action; and that, as far as he knows, the college is not under threat/concern of a lawsuit and therefore the college is free to move at its own pace. Mr. Mitchell said that this is a conversation that the college needs to have with its attorney.

After giving the Board, the other dais participants, and public an opportunity for comments and guestions, Mrs. Gabrielian closed Public Hearing No. 1 at 5:42 p.m.

It was moved (Mr. Tartaglia) and seconded (Ms. Sargsyan) to move Unfinished Report No. 1 out of order on the board agenda (page 4 of these minutes) for the Board's consideration. The Board agreed by affirmation.
