Senate Innovation Grant

What is the SIG?

The Senate Innovation Grant (SIG) supports the mission of the Academic Senate through the funding of innovative faculty projects. The Senate aims to fulfill academic and professional matters as defined in Section 53200 (c) of Title V. These matters, also known as 10+1, are as follows:

- Educational Program Development
- Professional Development
- Standards or Policies re: Student Preparation and Success
- Curriculum; Degree & Certificate Requirements; Grading Policies
- Governance Structures; Accreditation Processes; Program Review; Planning & Budget

How to Apply

On the following page answer the questions in the appropriate space. Please indicate clearly if additional sheets are to be attached. Note that the Budget Advisory Committee, in order to evaluate project applications, will need a clear explanation of the project itself as well as a detailed explanation of the specific ways in which this project addresses the goals of SIG.

Submit the completed application to the “Senate” mailbox located in the Administration mailroom. The deadline is December 2, 2019.

Grant Amounts

You may request any amount up to $2500. Project funding will be made as funds allow for a period of one year. A detailed account of projected expenditures must accompany the application.

Criteria

Awards will be made to faculty members of Glendale Community College on the basis of a project’s ability to address one or more of the stated goals of SIG (educational program development, professional development, student preparation, etc.).

Projects will be ranked for acceptance and funding by the Senate Budget Advisory Committee using the stated SIG goals.
