FINANCIAL AID OFFICE
SELECTIVE SERVICE REGISTRATION STATUS VERIFICATION

To receive financial aid federal law requires that males between the ages of 18-25 register with Selective Service. You can register:

- Online at www.sss.gov, or
- Through completing a Selective Service System Registration Form, available at www.sss.gov or your local Post Office (if you are unable to register online, or if you do not have a Social Security Number)

We must confirm your Selective Service registration or exemption status before you can receive any financial aid funds. Please indicate which statement best applies to you:

- I am exempt from registering with Selective Service because:
- I am under the age of 18
 - I was born before 1960
 - I was born female
 - I am a resident of the Federated States of Micronesia, or the Marshall Islands, or a permanent resident of the Trust Territory of the Pacific Islands (Palau)
- I entered the United States after my 26th birthday. You must provide documentation (I-94 or Passport) which clearly shows your date of birth and the date you entered the United States.
- I am a veteran of the U.S. armed forces. You must submit a copy of your DD214 Member 4 or current full time active duty orders.
- I have already registered with Selective Service. You must attach a copy of your Online Registration Verification or your Registration Acknowledgment Card.
- I failed to register with Selective Service and am over the age of 25. You must attach a personal statement explaining your failure to register along with a "Status Information" letter from Selective Service. Please contact Selective Service at 1-888-655-1825 or download the "Request for Status Information Letter" at www.sss.gov.
