ACADEMIC SENATE CONTRIBUTION FORM

Thank you for supporting your **Academic Senate**. We work hard to make sure your generous contributions go as far as possible to support our goals of establishing and maintaining the quality of the educational programs offered to students by GCC.

The Senate works hard to

- Ensure our programs' academic integrity
- Protect the academic freedom of the faculty
- Recommend policies regarding student preparation and success

Senate responsibilities include curriculum, degrees and certificates offered, educational program development, program review, grading policies, professional development activities, faculty roles in college governance and accreditation, and more.

Your generosity funds three major student scholarships that are awarded each year. It allows us to recognize and celebrate teaching excellence and service to the college through our annual faculty awards. Faculty contributions help us pay for a variety of annual events such as the campus Holiday Party and contribute to the Retirement/Recognition Luncheon and Faculty Party each year. When the campus shifted to remote instruction due to Covid-19, the Senate was able to redirect the money used for many of these expenditures, to contribute to the Student Success Fund in the GCC Foundation and fund the first annual Andy Young Scholarship.
