Administrative Regulation

ALCOHOLIC BEVERAGES

The possession, sale or the furnishing of alcohol on college property is governed by California state law and these procedures. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on college property is the primary responsibility of the Glendale Community College District Police Department. The college property has been designated "Drug free" and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the Glendale Community College District Police Department. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment. It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of college property without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.

Alcoholic beverages on college property are permitted if:

- The alcoholic beverage is beer or wine for use in connection with a course of instruction, sponsored dinner, or meal demonstration given as part of the culinary arts program at Glendale Community College and the instructor or individual has been authorized to acquire, possess, use, sell, or consume it by the Executive Vice President of Administrative Services as a part of Glendale Community College Culinary Arts.
- The alcoholic beverage is possessed, consumed, or sold, pursuant to a license or permit obtained for special events held at the facilities of the college during the special event. "Special event" means events that are held with the permission of the Superintendent/President of the college that are festivals, shows, private parties, concerts, theatrical productions, and other events held on the premises of the college and for which the principal attendees are members of the general public or invited guests and not students of the college.
- The alcoholic beverage is for use during a fundraiser held to benefit Glendale College Foundation that has obtained a license under the Business and Professions Code to do so provided that no alcoholic beverage can be acquired, possessed or used at a football game or other athletic contest sponsored by the District.
