

The AA or AS degree is granted to students who have completed at least 12 semester units of the required 60-degree applicable semester units at Glendale Community College. The required 60 semester units must include all of the following: (1) Completion of the courses required in the major or area of emphasis with a grade of “C” or better, or a “P” grade. (2) Completion of one of the following general education patterns: GCC General Education Requirements or the California General Education Transfer Curriculum (Cal-GETC) requirements. (3) A minimum GPA of 2.0 in the required 60 semester units.

When a course required for a major is also an approved general education course, the course may be double-counted. However, units are only counted once to satisfy the 60-unit requirement for the AA or AS degree. **Courses appearing in more than one area may be used to satisfy only one area. Courses with an (\*) are approved in the corresponding Cal-GETC area.**
